UNDERSTANDING ULTRASOUND PHYSICS, 4TH EDITION

The most respected and critically acclaimed ultrasound physics textbook!

The thoroughly revised fourth edition of Dr. Edelman's text reflects recent changes in registry exam content and technology in the field. Highlights include 424 full color pages containing over 350 illustrations & images and an additional 215 pages of review questions with answers.

Includes FREE ACCESS to one full length, computer-based practice exam on ESP's innovative website, the X-Zone.

Program Directors, contact ESP for information on our Academic Alliance Program.

Product Code: **UUP4**, \$109

ULTRASOUND PHYSICS QUIZ CARDS & AUDIO

Each quiz card contains an important question and a detailed answer that stresses conceptual learning. Current exam-specific information is found within the Quiz Cards.

Product Code: **PQZ**, \$64

ABDOMINAL SONOGRAPHY QUIZ CARDS

The Abdominal Sonography Quiz Cards provide you with a superb self-assessment opportunity. Prior to the ARDMS exam, evaluate your command of the material required to meet the challenge. The Quiz Cards will focus your efforts and serve as a perfect supplement to achieve RDMS certification.

Product Code: **ABD**, \$59

ADULT ECHO QUIZ CARDS

The Adult Echo Quiz Cards survey the material essential for success on the Echo exam. The Quiz Cards provide an organized method to assess your strengths and to identify areas requiring additional study for RDMS and RCS credentials.

Product Code: **AE**, \$59

ADULT ECHO VIDEO FLASH DRIVE – “TEST & LEARN” CASE STUDIES

Normal Anatomy & Common Pathologies

ESP Ultrasound's newest echo creation. Video loops are presented in two forms, *Test Yourself* and *Learn*. *Test Yourself* presents each video loop as seen in the clinical setting, without annotation or comment. *Learn* presents the same video with audio and visual interpretation. It is the perfect companion to our Adult Echo registry reviews.

Product Code: **AE - TL1**, \$159

Special for 2016 & 2017 Adult Echo seminar attendees: \$89

Educational Products

BREAST SONOGRAPHY QUIZ CARDS

These Breast Sonography Cards are the perfect self-assessment tool for those seeking credentials. Review the extensive range of required information and identify your areas of strength and weakness. The cards stress conceptual knowledge, providing an organized and systematic assessment of your proficiency.

*Product code: **BRS**, \$59*

OBSTETRICS & GYNECOLOGY QUIZ CARDS

These Ob/Gyn Quiz Cards review the material required to score a high grade on this RDMS exam. In a question and answer format, the cards survey the essential material and allow you to evaluate your command of the clinical information found on the test.

*Product Code: **OBG**, \$59*

REGISTERED PHYSICIAN IN VASCULAR INTERPRETATION – RPVI

RPVI Bundle

Includes all of the materials associated with our 2016 RPVI review seminars. You will receive: comprehensive course outline, CD containing numerous case studies, and six weeks of unlimited access to ESP's practice question website, the X-Zone.

Now, you can efficiently and successfully earn the RPVI credential. Our goal is to multiply your investment of time and effort.

You may also attend Physics and Vascular Technology courses at one of our Physics & Specialty Weekends and obtain this RPVI material with a small fee. Contact our office for details.

*Product Code: **PVI**, \$195.*

VASCULAR TECHNOLOGY QUIZ CARDS

The Vascular Technology Quiz Cards provide a comprehensive review of the material required to earn RVT or RVS credentials. Each card reviews an important concept. This essential tool allows you to assess your proficiency and readiness to challenge the vascular specialty exam.

*Product Code: **VT**, \$59*

THE X-ZONE - ONLINE PRACTICE QUESTIONS

Assess your knowledge with our online test question bank. Visit ESP's X-Zone on our website, www.esp-inc.com, for duration pricing and purchase information. Subjects available: Physics, Abdominal, Adult Echocardiography, Breast, Ob/Gyn, Vascular Technology and Phlebology.

Prices and availability subject to change.

ESP Ultrasound's X-Zone, perfect 'icing on the cake!'

ESP Ultrasound's X-Zone is the #1 destination site for high quality and affordable practice questions and answers for the Ultrasound registry exams. Individuals with an internet connection can take advantage of our X-Zone. You may access the system from any computer, anywhere, and at any time.

Assess your technical proficiency and skill levels. In addition, obtain answers to your pressing certification-related questions.

Seminar students in Physics, Abdominal, Adult Echo, Ob/Gyn, Vascular, and Breast Sonography will have free six week unlimited access to the X-Zone, in the class that they attend. Others may purchase access on our website at www.esp-inc.com.

Try before you buy! Log on to preview free practice questions.

Visit us at www.esp-inc.com and click on the X-Zone tab.

Challenging CCI's Non-Invasive Echo or Non-Invasive Vascular Exam?

CCI combines both clinical material and physics material in each of these exams. Therefore, ESP's Physics & Specialty Weekends are ideal preparation for sonographers seeking CCI's RCS or RVS credentials. Enroll in both the morning Physics and an afternoon Specialty class for optimal non-invasive echo or vascular exam coverage.
